The figure displays two crossword puzzle grids side-by-side. Each grid is a 15x15 square. The left grid is for the name 'Allan Bickle' and the right grid is for the name 'Jakayla Robbins'. The grids are filled with black squares indicating non-letter positions. The letters are placed in the white squares, with the names 'Allan Bickle' and 'Jakayla Robbins' highlighted in a larger font across the middle of each grid.

The diagram illustrates a network structure with nodes and connections. The nodes are arranged in a grid-like pattern, with a central node labeled "Dave Norris". The nodes are color-coded: yellow, blue, green, red, and purple. The connections are represented by lines between the nodes, forming a complex web. The diagram is divided into two main sections by a vertical line, with the central node spanning both sections.
