BRING YOUR STUDENT ID TO THE EXAM WITH YOU

30 multiple-choice, machine graded problems

Only your answer sheet is graded so make sure you have answered all questions the way you want.

Any formula provided on any midterm would be also provided on the final exam. In addition, the two interest formulas are provided, if needed.

Study suggestions:

- (1) Practice final exam questions available online on MA 153 web page.**
- (2) Re-do all three midterms. Blank copies are available online from the main MA 153 web page. Answers also available.**
- (3) Do the review problems that were assigned for each exam. Those problems can be found online from the MA 153 web page. Some additional review problems included from material following exam 3.**
- (4) Look over quizzes given during the semester.**

Any concept covered by homework this semester is a possibility for the exam. Do not rely solely on the practice questions as a study guide.
