

**MA 11100 Exam 2
Spring 2009
Grade Approximations**

85-	A	(87 A-, 93-100 A)
78-	B	(80 B)
57-	C	(60 C-, 67 C; 73 C+)
50-	D	(53 D)

AVERAGE: 61.5
RANGE: 33-87

Keep in mind that these are approximations only, but should give you an idea of how you are doing in the course. Remember that the online homework plus daily quizzes are the equivalent of an exam. For online HW 90% or above is about an A, 80-89% is about a B, 65-79% is about a C, and 55-64% is about a D. Keep track of your daily quizzes; are they usually above average, below average, or average.

If you have not done well on the two exams so far, you may want to consider withdrawing from the course. The deadline to do so is right after spring break on Monday, March 23rd. You will need your instructor's signature to do so.
