

**MA 15200 Exam 2
Spring 2009
Grade Approximations**

90-	A	(93 A-, 100 A)
77-	B	(80 B-, 87 B or B+)
57-	C	(60 C-; 67 C, 73 C+)
45-	D	(47 D-, 53 D)

AVERAGE: 62.9

RANGE: 13-100

Keep in mind that these are approximations only, but should give you an idea of how you are doing in the course. Remember that the online homework plus daily scores is the equivalent of an exam. For online HW 90% or above is about an A, 80-89% is about a B, 65-79% is about a C, and 55-64% is about a D. Keep track of your daily scores; are they usually above average, below average, or average.

Remember that Monday, March 23rd (right after spring break) is the last day to withdraw with a W, if you are considering. You need to get the signature of the course coordinator by 4 PM. If you have not passed the first two exams, this may be an option for you. You may discuss this with your instructor, adviser, or the course coordinator.
