

Exam 3, Tuesday, July 23rd, 2013

Covers Lessons 24 to 36

Sections 8.1, 8.2, 8.3, 8.4, and 4.5

Review Exercises:

Page 557; 5-8, 11-16, 19, 20 (a, b only),
21(a, b only), 42, 43, 44, 45 (a only)

Page 263; 21, 23, 29, 45-48

This is a good sampling of problems. You should do these; however, that is your decision.

Do not assume that questions will not be asked on the exam simply because they are not assigned in review.

Print off and review the Exam 3s from the **past exams** linked from the course web site.
