

Course Webpage: www.math.purdue.edu/MA266

Homework: There are both hand-graded homework problems and online homework problems. Online homework is accessed through **WileyPlus**. Due dates for both are determined by your instructor.

Midterm Examinations: To be determined by your instructor.

Final Examination: There will be a two-hour comprehensive multiple choice final exam given during the final exam week (Dec 15 - Dec 20). The time and place will be announced later.

Grades: Your course grade will be determined from your total score of a combination of class exams and/or quizzes, homework (including Supplementary Problems), Computer Projects and a final exam.

Calculators: Calculators will not be allowed on exams or quizzes.

Important Comments: Class attendance is expected. Reading the sections in the textbook ahead of time is strongly recommended. Check the course webpage often. It contains important course-wide announcements, instructor contact information, Assignment Sheet, Supplementary Problems, Computer Projects, and MATLAB tutorials for **dfield8**, **eul**, **ode45**, and **pplane8**.

Accommodations for Students with Disabilities

If you have been certified by the Disability Resource Center (DRC) as eligible for academic adjustments on exams or quizzes see www.math.purdue.edu/ada (*Click here*) for exam and quiz procedures for your mathematics course or go to MATH 242 for paper copies.

In the event that you are waiting to be certified by the Disability Resource Center we encourage you to review our procedures prior to being certified.

For all in-class accommodations please see your instructors outside class hours before or after class or during office hours to share your Accommodation Memorandum for the current semester and discuss your accommodations as soon as possible.

Online Course Evaluation System

During the last two weeks of the semester, you will be provided an opportunity to evaluate this course and your instructor(s). To this end, Purdue has transitioned to online course evaluations. On Monday of the fifteenth week of classes, you will receive an official email from evaluation administrators with a link to the online evaluation site. You will have two weeks to complete this evaluation. Your participation in this evaluation is an integral part of this course. Your feedback is vital to improving education at Purdue University. We strongly urge you to participate in the evaluation system.

Campus Emergency Notice

In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page www.math.purdue.edu/MA266 (*Click here*) to get the information about changes in this course.

Academic Dishonesty

The Mathematics Department, following Purdue Policy, prohibits academic dishonesty. For details about the Purdue Policy on academic dishonesty see
