Request your exam at the *Accommodated Testing* module on our course Brightspace page. [Accommodated Testing \(Brightspace\)](#) at least a week in advance of the exam date.

Campus Emergency Notice

In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page www.math.purdue.edu/MA366 to get the information about changes in this course.

Grief Absence Policy for Students

Purdue University recognizes that a time of bereavement is very difficult for a student. The University therefore provides the following rights to students facing the loss of a family member through the Grief Absence Policy for Students (GAPS). GAPS Policy: Students will be excused for funeral leave and given the opportunity to earn equivalent credit and to demonstrate evidence of meeting the learning outcomes for misses assignments or assessments in the event of the death of a member of the student's family. See the University's website for additional information:

CAPS Information

Purdue University is committed to advancing the mental health and well-being of its students. If you or someone you know is feeling overwhelmed, depressed, and/or in need of support, services are available. For help, such individuals should contact **Counseling and Psychological Services (CAPS)** at (765)494-6995 and

www.purdue.edu/caps

during and after hours, on weekends and holidays, or by going to the CAPS office of the 2nd floor of the Purdue University Student Health Center (PUSH) during business hours.

Academic Dishonesty

The Mathematics Department, following Purdue Policy, prohibits academic dishonesty. For details about the Purdue Policy on academic dishonesty see
